

Dr. Lisa Tomsak Addiction Medicine

Intro

Dr. Lisa Tomsak is a highly esteemed addiction medicine specialist with over 20 years of dedicated experience in the field. Renowned for her compassionate approach and evidence-based practices, Dr. Tomsak has significantly impacted the lives of countless individuals struggling with substance use disorders. Her extensive training, including a fellowship in addiction medicine, equips her with a deep understanding of the complexities of addiction. Dr. Tomsak is not only a practitioner but also an educator, frequently sharing her expertise at national conferences and contributing to leading medical journals. Her commitment to personalized care and her ability to integrate innovative treatment modalities make her a trusted and respected figure in the realm of addiction medicine.
